

# Heated Sandwich Wrap Table

Item No: \_\_\_\_\_

AIA FILE NO. / SPEC NO.

CONSULTANT/ CONTRACTOR APPROVAL

Model 146651

The **Heated Sandwich Wrap Table** has no bulbs, lamps or tubes to burn out. The gently warmed preparation surface assists in keeping food products warm while being prepared. Lockable casters are standard on one side and bullet feet on opposite side, enabling table to move easily for cleaning but remain stationary during use.

All Marshall products are supported by a nationwide service organization and an in-house, full-time Customer Support Department. To place an order, call:

**1-800-627-8368**

The Marshall Heated Sandwich Wrap Table top surface provides a uniform heat surface side to side and keeps food warm during preparation.

## FEATURES

- Heat is distributed uniformly across table surface to assist in keeping food products warm during preparation
- Heated Sandwich Wrap Tables carry a full 1-year repair or replacement guarantee
- Drop down shelf accommodates industry standard warming units
- Cutout in top will accommodate a 1/3 size pan (pan not included)
- Two lower storage shelves for boxes, baskets, wrapping supplies and more
- Universal control box location
- Available in two different lengths to fit your kitchen size

## CONSTRUCTION

- Extremely durable metal heating surface is encased in a tough stainless steel housing. There are no fragile exposed bulbs or tubes to chip or break... or fall into food
- All welded construction for stability and long life

**ETL (US, Canada) & NSF Listed
